

BIG ASSIGNMENT

03/2024

Choose and analyze a modern information system that is actually operating in Vietnam (You can refer to the list of suggested topics in the table below).

No.	Topic
1	On demand transportation system
2	Ecommerce system
3	E-payment system
4	Delivery sytem
5	ERP system
6	Business Intelligence system
7	IoT system

Specific analytical requirements include:

Task 1: Industry structure

- Describe the organization/business that owns and operates the system (structure, function, size, field of operation....)
- Analyze industry structure that the company belongs to

Task 2: Porters' Strategies for Competitive Advantage

Which competitive business strategy best describes this enterprise? Analyze and explain why?

Task 3: Porters' Value Chain Model

- Which two primary activities of the Value Chain are most important to this enterprise? Why are they so important?
- Briefly explain one business process that company would perform for each value chain activity identified.

Task 4: Business Process

- List the business processes of the enterprise.
- Choose the most important business process to analyze and explain how it impacts your business's competitive strategy.

Task 5: Analyze information system

Analyze 5 components of the information system that businesses are implementing. Explain clearly how each component contributes to the business's competitive strategy.

Task 6: Your propose

Give 2 suggestions to improve the current information system to better meet the enterprise's competitive strategy.

Some guidelines:

- This analysis should be no more than 6 pages.
- It should have 6 sections: 1 for each task. (You may use subheadings if you wish).
- No executive summary, introduction or conclusion is needed.
- You must use at least one quality external source in your answer and reference it correctly in APA style, both in-text and in a reference list. The external source must be in addition to the textbook. Neither the reference list nor in-text citations will be included in your word count.

Please note you will also be assessed on the quality of your writing and grammar (5 marks).
